The new year comes.

Coach Frazier, Coach Terney, Coach McCarthey, Coach Lawrence, Coach Crossley, Head Coach Wayne Estes.

Regardless of the outcome, this year the Racer football team has made a complete turn around - one definitely for the better. In the previous years the players have more or less played for themselves and by themselves. This year they have come together and played as a team.

Coach Estes' approach to coaching has paid off. With his help we have improved the field house with air-conditioning, carpet and a stereo system. More weights, mirrors and many charts were purchased to help the athletes gain strength.

Thanks go to Coach Frazier, also, for getting the guys fired up before and during a tough battle.

THE FHA CREED

We are the Future Homemakers of America.
We are members of FHA and HERO chapters.
We face the future with warm courage and high hope.

For we have the clear consciousness of seeking old and precious values.
For we are the builders of homes,
Homes for America's future,
Homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams.

We are the Future Homemakers of America.
We are members of FHA and HERO chapters.
We face the future with warm courage and high hope.

Sec. Konda Saylors, V-Pres. Kristi Ferguson, Pres. Michelle Keller

People often wonder why a student would want to be a member of the band. After all, they must come to 7:00 a.m. practices, and miss sleeping in on some Saturday's because of a parade or some kind of contest. In class 2A the band placed 2nd. at the O.B.A. marching contest this year & this was the first year the band made a superior rating at district marching contest from the judges. In doing this the Racer band has proved that you don't have to be big to be good!

Many activities, both in and out of school, have kept the N.H.S. Cheerleaders very busy this year. After try-outs they started getting ready for a state competition at White Water. They did commercials to promote it for T.V. 43 and were 1st runners-up in the contest! NCA Cheerleading Camp at OU was also successful as they received all "Superiors" for their performances! After camp the girls took charge of the advertisement sales for the football programs and worked at their fireworks stand to raise money for the cheerleader fund.

They performed some very exciting dances and cheers for the crowd at pep assemblies and games. But all the hard work was paid off with many good times, memories, and fun!

RACER STAFF ENJOYS SWEDISH SUNSHINE!

Mirella Boero Rol

The members of the 1987 Racer staff feel we have been granted a unique experience this year. We have been given the opportunity to make a new friend. Her bright smile, warm personality, remarkable intelligence, and enthusiasm for work. work, work, on yearbook layouts have touched our lives and enriched each of us. Her endless patience and good humor in dealing with our teasing and her obvious interest in everything "American" helped us to grow by learning from each other. As a staff we say "thanks" to the Bowermans for bringing Mirella to share this year with us.

Goodbye, Mel. We love you!
